Communications training with Indigenous coordinator facilitators

On Monday 18 and Tuesday 19, several Indigenous coordinator facilitators from around the state came to Mineral House to undertake graphic design training. The coordinator facilitators were from four regional NRM bodies including the Queensland Murray Darling Committee (QMDC), Burnett Mary, Condamine Alliance and South East Qld NRM. In addition to these four, the communications officer from Desert Channels Qld also attended. The training was provided under the in-kind communication training package provided by Strategic Policy & Regional Arrangement's (SPRA) Communications Team.
