### **Good-bye Allan**

Today is Allan Dale's last day as General Manager, Strategic Policy and Regional Arrangements (SPRA). He has accepted the Chief Executive Officer position with the Far North Queensland Natural Resource Management (FNQ NRM) regional body in Cairns. We wish him all the best in his new adventure and thank him for all his energy and efforts as the Joint Steering Committee co-chair, his attempts at attending every meeting throughout the state (although he was often working on 'Allan Dale time') and his never ending support to everyone involved in regional arrangements.

Margaret Berenyi will be taking over temporarily in the role as General Manager from 14 February for a three-month period while arrangements for a permanent replacement are made. [Maria O'Leary](#) will act as SPRA's General Manager in the interim. Maria can be contacted on (07) 3224 7658.
