

Case Studies in Regional Natural Resource Management in Northern Australia

June 2006

Milestone Report 5

Healthy Savanna Planning Systems Project

Tropical Savannas Management CRC

Editors: Geoff McDonald, Suzanne Hoverman, Sonja Heyenga & Bruce Taylor

Contributing Authors: Geoff McDonald, Bruce Taylor, Sonja Heyenga, Tim Smith, Lionel Pero, Suzanne Hoverman, Clive McAlpine, Cathy Robinson, Jennifer Bellamy, Fiachra Kearney, Dermot Smyth, Peter Whitehead, Dan Metcalfe and Nigel Weston

CSIRO Sustainable Ecosystems
Department of Natural Resources and Mines, Qld

Hardcopy ISBN:
Online ISBN:

Table of Contents

Part 1: Introduction and overview	6
1.1 Purpose of this report	6
1.2 Regional natural resource management and northern Australia	6
1.3 The Healthy Planning Systems evaluation.....	8
1.4 Overview of the case studies.....	10
1.5 A framework for synthesis	10
Part 2: The case studies.....	14
2 Pastoral stakeholders and regional NRM planning.....	15
3 Community Engagement in Remote Regions.....	26
4 Biodiversity in action.....	32
5 Success Factors for Getting Science on the Ground.....	42
6 Managing diffuse-source water pollution in northern Australia.....	55
7 Country-based management proposal for Kakadu National Park.....	71
8 Evaluating Outcomes: Regional investment in weeds management	80
9 Regional investment patterns and trends in NRM	92
Part 3: Synthesis of case study findings.....	103
9.1 Devolution.....	103
9.2 NRM partnerships	104
9.3 Aligning institutions.....	105
9.4 Engaging stakeholders	106
9.5 Integrating knowledge.....	107
9.6 Adaptiveness	108
9.7 Achieving outcomes.....	108
Appendix A - Development of case study synthesis framework.....	110

Abbreviations and acronyms

AKIS	Agricultural Knowledge and Information System
AWQG	Australian Water Quality Guidelines
BDT	Burdekin Dry Tropics
BLCA	Barkly Landcare & Conservation Association
BMP	Best Management Practice
CCI	Coastal Catchments Initiative
CERF	Commonwealth Environmental Research Facility
CLMA	Centralian Land Management Association
CIRM	Consortium for Integrated Resource Management
CRC	Cooperative Research Centre
DCQ	Desert Channels Queensland, Inc.
DNRMW	Department of Natural Resources, Mines and Water, Queensland
DPI&F	Department of Primary Industries and Fisheries, Queensland
EMS	Environmental Management Systems
EPA	Environmental Protection Agency, Queensland
FBA	Fitzroy Basin Association
FNQNRM	Far North Queensland Natural Resource Management, Ltd
FMS	Farm Management Systems
GBR	Great Barrier Reef
GIS	Geographical Information Systems
GWRP	Gulf Water Resource Plan
HWS	Healthy Waterways Strategy, South East Queensland
ICM	Integrated Catchment Management
IAWM	Integrated Area Wide Management
IPA	<i>Integrated Planning Act 1997 (Qld)</i>
JSC	Joint Steering Committee
KDC	Kimberley Development Commission
LCDC	Land and Conservation District Committee
LCNT	Landcare Council of the Northern Territory
M&E	Monitoring and Evaluation
MATs	Management Action Targets
MBWCP	Moreton Bay Waterways and Catchments Partnership
MER	Monitoring Evaluation and Reporting
MWNRM	Mackay Whitsunday NRM Group
NAP	National Action Plan for Salinity and Water Quality
NHT	Natural Heritage Trust
NHT2	Natural Heritage Trust Extension
NLP	National Landcare Program
NRM	Natural Resource Management
NRMB	Natural Resources Management Board, Northern Territory
NRMSEQ	Natural Resource Management South East Queensland
NT	Northern Territory

OIC	Ord Irrigation Cooperative
QLD	Queensland
QMDC	Queensland Murray Darling Committee
RCGs	Regional Coordination Groups (of Qld Government agencies)
RCTs	Resource Condition Targets
RGMFs	Regional Growth Management Frameworks
RIS	Regional Investment Strategy
RWQPP	Reef Water Quality Protection Plan
SEQC	South East Queensland Catchments
SEQWQMS	South East Queensland Regional Water Quality Management Strategy
SIP	State-level Investment Program
STM	Short Term Modelling
TOT	Transfer-of-technology
TS-CRC	Tropical Savannas Management Cooperative Research Centre
VRDCA	Victoria River District Conservation Association
WA	Western Australia
WONS	Weeds of National Significance
WRP	Water Resource Planning
